BOTTEGONE: DALLA CITTÀ LINEARE ALLA SMART SOCIAL CITY

Intervento: 2a CUP: C57H18000480001

This aerial photograph shows a suburban residential area. The landscape is a mix of green spaces, including lawns and parks, and built-up areas with houses and buildings. A network of roads and streets is visible, connecting different parts of the area. The overall appearance is that of a planned or semi-planned community.
